MC-E 5**

MAKE EVERY RIDE COUNT!

Hey there, future riders and awesome parents! We're super excited to introduce the brand-new MC-E 5, our latest electric Minicycle that's perfect for young dirt bike enthusiasts. The MC-E 5 is a real motorcycle, designed especially for beginners and recreational riders. It's built to provide a fantastic riding experience while being safe and fun. Plus, the MC-E 5 is super quiet, making it ideal for riding in more places and enjoying more adventures. One of the coolest features of the MC-E 5 is its adjustable ergonomics. This means the bike can grow with the rider, ensuring the best fit and comfort as they get taller and more experienced. So if you're looking for the perfect bike for your child, the MC-E 5 is here to make their riding dreams come true. Get on the GAS to join the fun with GASGAS and the amazing MC-E 5!

The riders illustrated are professional motorcycle riders. The photos were taken on closed racing circuits or closed roads. GASGAS Motorcycles wishes to make all motorcyclists aware that they need to wear the prescribed protective gear and always ride in a responsible manner in accordance with the relevant and applicable provisions of the road traffic regulations. Only the homologated versions of the motorbikes promoted in this brochure are suitable for road use. GASGAS Motocross models are not approved for use on public roads. For this reason, it is absolutely essential that use on public roads is avoided. The warnings and hazard notices in the owner's manual must be observed without fail when purchasing a motorcycle and using it for the first time (especially the prescribed speed limits). Some products in the GASGAS Motorcycles accessories range are not approved for use on public roads in certain circumstances (varies from country to country). Please contact your GASGAS Motorcycles dealer for further information. The illustrated vehicles may vary in selected details from the production models and some illustrations feature optional equipment available at additional cost. All information concerning the scope of supply, appearance, services, dimensions and weights is non-binding and specified with the proviso that errors, for instance in printing, setting and/or typing, may occur; such information is subject to change without notice. Please note that model specifications, bike availability and finance services may vary from country to country.
